

Dear Friend,

I would like to tell you about our Orchard Manor Family Support Group, which has been in existence since June of 1989. It is a gathering of family and friends of our residents who share a common bond. We meet on the third Tuesday of each month (unless otherwise specified), at 1:15p.m., in conference room 113 at our facility and give “support” to each other as well as friendship. It is a wonderful group of warm, caring people, and we welcome anyone wanting to join. Meetings do not include residents, as this a time for you alone to share feelings and socialize. Not only do we have discussion, but at times, we have speakers or a video with a topic that is relevant to some aspect of nursing home residents and families. Enclosed is a page with information about “what a support group is”. I will be sending a letter each month inviting you to our meeting, and I hope that you will consider being a part of our wonderful group.

If you have any questions, please call me at (608) 723-2113.

Sincerely,

Heidi M. Millin, L.S.W.
Social Services Manager
